What to expect / Rules:

This free event is hosted by Rescued WOOD Rehab on **Saturday April 24, 2021** in an effort to showcase the talents of the youth in our area. Any makers under the age of 18 and living in North Carolina are welcome. All items should be at least 50% made by the artist. No store bought items are allowed. Parents are encouraged to participate. ***Please submit your application by April 17, 2021.***

As this is a free event we are expecting a great turnout of talented young artists and we have a limited number of spaces. If you sign up to participate, please make sure to honor that commitment.

Set up/Breakdown: Our store opens at 10am and closes at 5pm. The Junior Makers Market is scheduled from 11am until 4pm. Rescued WOOD Rehab will assign you a space and you may begin setting up as early as 10am, once you have your space assignment. We would appreciate it if everyone was finished setting up by 11:30am at the latest. When you leave for the day please make sure you clean up after yourself and leave the space as you found it.

Artists will be assigned a 10'x10' space to set up a table, chairs, tent, or whatever else they may need. There is no readily available power. If power is required let us know beforehand and we will try to accommodate you on a first come first serve basis.

Feel free to accept cash or credit card payments on your own. If a customer wishes to pay with a credit card and you do not have the capability to accept it, please send them in the store and we will process the sale for you and reimburse you at the end of the day (we will not charge you the processing fee).
